STRUCTURE: Type of, and composition: Large community cemetery containing 221 graves, 82 of which are undesignated sandstone markers.

Physical Description: The cemetery is 120 feet wide north to south and 220 feet long from east to west. The area is well maintained and mowed. There is a four foot high old woven wire fence the entire perimeter of the yard. At the north-east and northwest corners there are hinged woven wire gates. The yard has large juniper and pine trees. The south side of the yard is not maintained and is covered with undergrowth forty feet in width the entire southern length. There are four USI/NPS boundary markers. Adjacent to the east and west sides there are 50 foot long parking strips. The cemetery shows use from the mid 1800's through the present.
